Alternative Track to ISB/ISP (When a student is not required to take ISB/ISP)

For certain majors, students can meet the Integrative Studies in General Science requirement with a specific "alternate" grouping of courses. Complete or partial fulfillment of an Alternative Track will be honored if a student changes their major. These alternative tracks are stated in the college and department/school requirements. No Preference/Undeclared/Undeclared/Exploratory students should discuss their interests with their Academic Advisor to determine if an alternative track is applicable.
